Dear [ ]:

Thank you very much for your letter of November 15 replying to my inquiry about [ ]

[ ] I am writing to the Historical Section of the Office of the Chief of Staff, Department of the Army today, as you suggested. I can see no reason for security restriction on [ ] background and activities, since he has already written a book about them, and therefore I hope that the Historical Section can give us the information we need.

I am very grateful indeed for your help.

Sincerely,

John Fischer
